The RP350x represents the latest innovation in secure mobile card reader technology. Combining a magnetic stripe and smart card reader in one device, the RP350x enables secure mobile card acceptance for merchants across the globe. As the first Chip and Sign mobile acceptance device to be both PCI PTS certified and EMV approved, the RP350x provides the ultimate level of security, flexibility and reliability.

- First PCI PTS 3.1 POI SRED certified Chip and Sign mobile acceptance device
- EMV Level 1 & 2 approved and Visa Ready certified
- Support for 100+ iOS and Android™ mobile devices
- White labeling options enabling custom-branding of the device
**RP350x**

Chip & Sign Mobile Card Reader

---
