RP750x Chip & PIN Mobile Card Reader

powering Cloud-Based Chip & PIN Mobile Payment Acceptance

Developed by the world's most experienced provider of secure mobile point of sale (mPOS) solutions, the RP750x is ROAM's latest innovation in mobile EMV card acceptance devices. Enabling both Chip & PIN and magnetic stripe card transactions in one device, the RP750x is able to deliver secure mPOS to merchants across the globe. Cloud-based and compatible with hundreds of mobile devices, the RP750x provides unmatched flexibility, best-in-breed security, and easier use than any other Chip & PIN mobile card reader available today.

- Compliant with the latest industry standards (PCI PTS 3.1 with SRED, EMV Level 1 & 2, Visa Ready)
- Compatible with hundreds of smartphones, tablets and feature phones
- Familiar and trusted PINpad-like design ensuring faster consumer adoption
- White labeling options enabling custom-branding of the device
- Remotely configurable, cloud-based architecture

VISA READY

EMVCo EMV LEVEL 1 & 2 APPROVED

PCi PCI-PTS 3.X APPROVED

RP750x
## Chip & PIN Mobile Card Reader

Flexible

- Enables acceptance of any card-based payment through a single device that incorporates a magnetic stripe reader (MSR), smart card reader (SCR) and optional NFC reader
- Connects with iOS, Android™ and J2ME based mobile devices via bluetooth and/or audio jack
- Option to customize the branding and/or the form factor
- Cloud-based mPOS solution enabling remote configuration and management of all devices in any country

Secure

- Fully encrypted card reader ensuring cardholder data never enters the mobile device
- Visa Ready, EMV Level 1 & 2 approved, and PCI PTS 3.1 SRED certified
- Industry-proven technology developed by the world's most trusted leaders in secure mobile payments

User-Friendly

- Compact form factor only 18% bigger than a credit card
- Ease of use through plug and play device connectivity with auto power on/off
- Full feature set incorporating a backlit display and PINpad with raised keys
- Lightweight and portable: <80 grams (2.82 oz)
